**Notes of Superscripts:**

1 For all categories other than Domestic, Fixed/Demand charges are to be levied on sanctioned load or MDI reading, whichever is higher, on per kW or part thereof basis. Where the MDI reading exceeds contract demand by more than 5%; a surcharge of 30% shall be levied on the fixed/demand plus energy charges for such billing cycle only.

2 The entitlement of various slabs under domestic category shall be worked out on pro-rata basis depending upon the duration of the billing cycle.

3 The incumbent shall be entitled for a rebate of 2.5% on the energy charges on 11 kV rates for availing 3 phase supply on 33/66 kV and 4% for supply at 220 kV.

4 For Industrial consumers having valid NDMC licensee

5 Tariffs for Northern Railways Traction are based on the supply being given through a single delivery and metering point at single voltage. An additional capacity blockage charges are also applicable to be calculated as Rs 1260 x (2.97A + 5) where A is contract/maximum demand, whichever is higher, in MVA subject to a minimum of Rs 25000.

6 The simultaneous maximum demand, for all metering points, shall be considered for levying demand violation charges.

### **Electricity taxes and other levies**

The rates stipulated in the Schedule are exclusive of electricity tax and other taxes and charges, as levied from time to time by the Government or any other competent authority, which are payable extra.

### **Surcharges**

All surcharges shall be levied on the basic tariff applicable to the category of use or category of sanction, whichever has higher tariff.

### **Billing in kVAh**

Wherever the fixed/ demand/ energy charges are specified in Paisa per kVAh, for the purpose of billing the kVAh as read from the meter shall be used.

### **Payments**

In the event of the electricity bill rendered by the licensee, not being paid in full within the time specified on the bill, a surcharge @ 1.5% on the principal amount of bill which has not been paid shall be levied for each 30 days successive period or part thereof until the payment is made in full without prejudice to the right of the licensee to disconnect the supply after due date in the event of non-payment in accordance with section 56 of Electricity Act, 2003. This will also apply to temporary connections, where payment of final bill amount after adjustment of consumption deposit, is not made by due date.

The Commission directs the Petitioner, that in case the bill for consumption of electricity is more than Rs. 4,000,

payment for the bill shall only be accepted by the Petitioner by means of an Account Payee cheque/DD.

### **Interpretation/Clarification**

In case of doubt or anomaly, if any, in the applicability of tariff or in any other respect, the matter will be referred to the Commission and the Commission's decision thereon shall be final and binding.
