New Delhi, February 27, 2017

Dear Mr Kumar,

On January 26, 2017, in a New Delhi hospital passed away Russian Ambassador to India Alexander M. Kadakin. One of the first prominent political leaders who expressed his condolences on the sad demise was Prime Minister of India H.E. Narendra Modi who called him "admirable diplomat, a great friend of India and a fluent Hindi speaker who tirelessly contributed to stronger India-Russia ties". Many distinguished officials and members of the Government visited the Embassy to sign a condolence book.

Late Ambassador was very much fond of Delhi and knew its every *tang gali*. That is why he dedicated to this wonderful city one of his books which after publishing became a popular guide to the capital's architectural monuments among Russian tourists introducing them into the infinite history of such an incredible country as India. He cultivated a love for India not only for young Russian students and diplomats but also his numerous friends all over the world.

→ The name of Alexander Kadakin, who devoted 28 years of his entire diplomatic career to his *karma-bhumi* India living in New Delhi, will go down in Russia's and India's history as that of diplomat par excellence and respected statesman, eminent scholar, a confident-spoken man of great wisdom with many outstanding faculties, whose selfless and devoted service can hardly be overestimated. He was a true friend of India where he is well-known as an architect of our time-tested special privileged strategic partnership. Late Ambassador unfailingly stood for stronger friendship between Russian and Indian nations. It is due to his tireless efforts, energy and competence that our two countries share genuine deep mutual trust and respect.

The Embassy is ready to make a detailed presentation of the Ambassador's achievements at any time and venue per your convenience.

May I seek your consent for the Embassy's proposal to name after Late Ambassador Alexander M. Kadakin a street in the vicinity of the Russian Embassy.

Chairman
Secy

Yours sincerely,

ITEM NO. 8 (C-31) / 13-10-2006

1. **NAME OF THE SUBJECT** Naming-Renaming of roads, streets, parks, installation of statues etc. in NDMC area.
2. **NAME OF THE DEPARTMENT** : General Administration Department
3. **BRIEF HISTORY OF THE SUBJECT:**

The NDMC receives representations for naming/renaming of roads/street, parks, inter-sections, installation of statues etc. These representations are forwarded to the Civil Engineering Department, Horticulture department for identification of any un-named road, park etc. Apart from this, the issue of renaming of existing roads also arises based on these representations. Normally since there are hardly any unnamed roads in the NDMC area, replies are sent accordingly

The following provisions of the NDMC Act 1994 are relevant with regard to definition, vesting and naming of streets:-

- I) The definition of Private street, Public Street and streets are given in Section 2 (36), 2(39) and 2 (51) of the Act; (**Annexure 'A' See page 194**)
- II) Naming and numbering of streets and premises is an obligatory function of NDMC as per Section 11(q) of the NDMC Act, 1994.
- III) Section 202 of NDMC Act 1994 vests all public streets in the Council. The provisions read as follows:-

"All streets within New Delhi which are or at any time become public streets and the pavements, stones and other materials thereof shall vest in the Council.

Provided that no public street which immediately before the commencement of this Act vested in the Union shall, unless the Central Government with the consent of the Council so directs, vest in the Council by virtue of this sub-section.

(2) All public streets vesting in the Council shall be under the control of the Chairperson and shall be maintained, controlled and regulated by him in accordance with the bye-laws made in this behalf."

iv) Section 231 (i) (a) provide for naming and numbering of streets as follows:

"The Chairperson may with the sanction of the Council determine the name or number by which any street or public place vested in the Council shall be known".

v) Section 388 D(6) provides for framing of bye-laws relating to street in connection with construction, repair, maintenance, naming, numbering and lighting of street for which provisions is necessary or should be made."

vi) The Ministry of Urban Development has issued guidelines for installation of statues/ memorial & is annexed **as annexure 'B' (See page 195-196)**. These guidelines prescribe that all cases are placed before the Central Cabinet for required permission and that Ministry of Works, Housing and Supply (now known as Ministry of Urban Development (MOUD) will deal with this matter. The other terms and conditions include that cost of work, fabrication, transportation etc. is borne by the organization and clearance from DUAC and CPWD is also taken. The proposals are to be initiated by an organization. Apart from this, State Names Authority (SNA) chaired by the Chief Minister Delhi has also outlined that any kind of statue should first be approved, in principle, by it.

vii) State Names Authority (SNA) of the Govt. of NCT of Delhi has also issued certain guidelines for naming/renaming of roads, streets etc. vide their minutes dated 8.1.86, 20.6.2001 and 17.6.2004. A copy of the same is annexed **as Annexure 'C' (See pages 197-201)**. These guidelines pertain to naming/renaming of streets, statues and that such requests should from a group of persons such as Association, Manch, Sangh etc. and not from a single person.

viii) The issue of re-naming is governed by the guidelines issued by the Ministry of Home Affairs vide letter no. 13022/34/74/Delhi dated 27.9.1975. Copy of the letter is annexed **as Annexure 'D' (See page 202)**. These guidelines of the Government of India specify that the names of existing streets/roads etc. should not be changed. Only new streets/roads etc., and such old streets/roads etc. as are in existence without specific names may be named after eminent personalities local, national or international to honour them. The Local Bodies in Delhi including NDMC have been advised to follow these guidelines. This decision is in view of the fact that changes in the names of streets/roads etc. not only create confusion for the Post Offices and public but also deprive the people of a sense of history.

x) Since 1994 the Council has considered 49 Resolutions pertaining to naming/renaming of roads, parks, installation of statues etc. **Annexure 'E' (See pages 203-208)**. There are exceptions in respect of renaming e.g. renaming of Aurangzeb Road as Dara Shikoh Marg,

South End Road as Piloo Mody Road, Canning Road as Madhav Rao Scindia Marg, Willingdon Crescent as Mother Teresa Crescent etc. However, the Council also accepted the renaming of Connaught Circus as Indira Chowk and Connaught Place as Rajiv Chowk as per direction of the Govt. of India. (See annexure 'E' item No. 7, 28, 35, 47, 4)

Subject: Guidelines for renaming of Streets/roads etc.

Only new streets/roads etc., and such old streets/roads etc., as are in existence without specific names may be named after eminent personalities, local, national or international to honour them.

The local bodies in Delhi may be advised to follow these guidelines henceforth.

GUIDELINES TO BE FOLLOWED BY STATE NAMES AUTHORITY FOR NAMING/RENAMING OF ROADS, STREETS, VILLAGES, TOWNS ETC. AND INSTALLATION OF STATUE/MEMORIALS

From time to time instructions have been issued by Govt. of India regarding naming/renaming of roads, streets, villages etc. and installation of statue/memorials.

The State Names Authority in its earlier meetings has adopted certain principles for naming/renaming of roads, streets, etc. For the sake of convenience, all these guidelines have been compiled and reproduced below to be followed by all concerned.

I. NAMING OF ROADS, STREETS, ETC.

1. Request for naming a park, street, road, colony etc. should come from a group of persons such as Association, Manch, Sangh, Group etc. and not from any single person. After preliminary scrutiny the request will be sent to the concerned Land Owning Agency and the Dy. Commissioner (Revenue) for comments. The DC shall form his views after assessing public opinion in the area and taking a view on the applications being of representative merit. After receiving their comments the proposal will be examined by the Sub-Committee of SNA. Only the proposals recommended by the Sub-Committee will be placed before SNA for consideration.

2. If any road, park, street, building etc. has already been named once after a particular dignitary, then a fresh proposal for renaming any other place after the same dignitary should not be sent to the State Names Authority.

3. Every proposal should be accompanied by a brief write up about the achievements of the individual whose name is proposed.

4. The service rendered by a particular dignitary to the Nation, and particularly Delhi should be the guiding principle.

5. Names of living persons are usually not suggested.

6. While adopting the names of the foreigners (of international standing) the proposed name should be precise and correctly spelt.

II. RENAMING OF ROADS/STREETS ETC.

1. The names of existing streets, roads etc. should not be changed. Only new streets, roads etc., can be considered for being named after eminent personalities of the local, national or international level in order to honour them.

2. Names which are a part of history may not be altered.

III. CHANGES IN THE NAMES OF VILLAGES, TOWNS, ETC.

1. Changes in the names of Villages, Towns etc. should be discouraged as far as possible, that no change should be agreed to unless there were compelling reasons to justify it, and that all proposals should be referred to the Ministry of Home Affairs before any change is made.

There must also be a uniform procedure in the State of changing the names of places and to keep the following broad principles in mind:-

a) If there is some very special reason, it is not desirable to change a name which people have got used to.

b) Names of villages etc. having a historical connection should not be changed as far as possible.

c) Change should not be made merely on grounds of local patriotism or for linguistic reasons, eg. villages etc. should not be renamed after national leaders merely to show respect to them or for satisfying local sentiment in the matter of language etc.

d) In selecting new names, care should be taken to see that there is no village or towns etc. of the same name in the State and Neighbourhood.

e) While recommending any change, the State Governments should furnish detailed reasons for proposing a change in the name and also for selecting the new name.

3. Where an ancient place has fallen into decay and with that the old place name has also disappeared the ancient name should be restored.

IV. INSTALLATION OF THE STATUE/MEMORIALS

1. The Government normally does not install statues. If at all this is done, there should be an organization to initiate such proposals and ready to bear the cost of installation of statues etc. as a whole. Such organizations are also required to fulfil the following terms and conditions, before the request is considered by the Government:

(i) Cost of the work relating to the statue, including cost of fabrication, transportation and installation should be borne by the organization.

(ii) The organization should obtain clearance of the Delhi Urban Art Commission and Chief Architect, Central PWD regarding the size of the statue, material used and design of the pedestal for the statue landscaping of the area.

(iii) It will be the responsibility of the organization to have proper landscaping of the area in consultation with the local authorities i.e. NDMC/MCD.

(iv) The organization shall take up and settle with the local bodies concerned the question of the maintenance of the statue after the installation of the statue and its landscaping.

(v) The organization will have no claim on land on which it is permitted to install the statue and the ownership of the land will continue to vest in the Government.

(vi) The statue shall be installed in accordance with the site plan to be obtained by the organization from the Chief Architect, CPWD.

regards the location/site for the statues, normally the Delhi Urban Art Commission and the Chief Architect, CPWD are not in favour of allotting a traffic roundabout in the city for installation of statues.

2. Every proposal for erecting any kind of statue in Delhi (except Lutyen's Delhi) should first be approved in principle by the State Names Authority. Proposal for installation of statues in Lutyen's Delhi will require the approval of Union Cabinet.
3. After getting approval of State Names Authority, the proposal should be approved by MCD/NDMC/DDA/Cantonment Board as the case may be and also by the Delhi Urban Art Commission.

INSTALLATION OF SECOND STATUE:

Normally sanction for installation of 'second' statue may not be considered. However, if the first statue installed is not readily accessible to the general public, a proposal for installation of a second statue may be considered on a case-to-case basis.
