

NEW DELHI MUNICIPAL COUNCIL

SCHEDULE B-21

SIGNIFICANT ACCOUNTING POLICIES (2007-08)

1. Basis of Accounting

The financial statements are prepared on a going concern and under historical cost basis under accrual basis of accounting. The method of accounting is the 'Double Entry Accounting System'.

2. Revenue Recognition

The accounts have been prepared on modified accrual basis. Under modified accrual basis, the revenues are recognized at the time of actual raising of the bills whereas the expenses are recognized at the time of passing of the bills or admission of the expense/ liability regardless of when the related cash flow/ occurrence takes place except as stated hereunder:

Revenue Recognition in case of Income-Exceptions

As mentioned above, significant items of revenue of the Council are recognized at the time of raising the bills. However, the under mentioned transactions are accounted for on cash basis:

- i. Revenue in respect of transfer of property (property taxes), collection of cess, cess registration fees, connection charges for water supply, water tanker charges, road damage recovery charges, assigned revenues like VAT, motor vehicle tax etc., disposal of materials in stores, hospital and dispensary fees etc., rent or hire charges with respect to ambulance, hearse etc., sale of scrap, general grants (revenue nature), income on investments, connection and reconnection charges for electricity supply, sale of fertilizer and waste, interest & penalties, other fees and user charges etc.
- ii. Any other income, which is of an uncertain nature or for which the amount is not ascertainable or where demand is not raised in regular course of operations of the NDMC, is recognised on actual receipt.

Revenue Recognition in case of Expenses-Exceptions

- i. In the following cases the expense is provided for on the basis of actual use of facility i.e. even if the bill is not received the same shall be provided for keeping in view of materiality of the expense and matching of cost with revenue concept:
 - a) Purchase of Water
 - b) Purchase of Electricity
- ii. In the following cases the expense is provided for on receipt basis contrary to accrual basis of accounting

Bonus, ex-gratia, overtime allowance, other allowances and reimbursements to the employees are recognised as an expense as and when they are drawn for payment.

- iii. In case of provision against receivables, provisioning norms are applied based on type of income and age of receivables. The Council has adopted NMAM with suitable modifications. The rates of provisioning prescribed under NMAM have been adopted with respect to each type of receivables.

3. Grants

- i. General Grants, which are of revenue nature, are recognised as income on actual receipt to the extent these are utilised. Unutilized portion of grant during the year is recognised as liability.
- ii. Grants, which are re-imbursement of specific revenue expenditure are recognised as income in the accounting period in which the corresponding revenue expenditure is charged to the Income and Expenditure Account
- iii. Grant received towards capital expenditure is treated as a liability till such time the fixed asset is constructed or acquired. On construction/ acquisition of fixed asset, the grant corresponding to the value of the asset so constructed/ acquired is treated as a capital receipt and transferred to capital contribution.

4. Prepaid Expenses

Expenses for an amount exceeding Rs. 5,000/- and paid in advance during the year (a proportion of which may relate to a part of the succeeding financial year) are apportioned over the actual period to which such expenditure relates.

5. Establishment Expenses

NDMC is following March to February basis for recognizing salaries for the financial year. Hence, the establishment expenses include employee costs namely; salary, bonuses, employee welfare and other related costs. Expenses on salaries and other allowances are recognised as and when they are due for payment on drawing of Pay Bill (i.e. at the month end).

The cost of retirement benefits like pension, gratuity etc. are recognized/ provided on the basis of actuarial valuation.

6. I. Fixed Assets

- i. Assets acquired by way of purchase or constructions are valued at their cost of acquisition or cost of construction on completion. In determining the cost of acquisition, incidental direct costs including borrowing cost are considered for capitalization.
- ii. Depreciation is provided on Straight Line Method. The Council has adopted Depreciation rates followed by Bangalore Mahanagar Palike.
- iii. The assets acquired on or after 1st October every year are depreciated by applying half the rates.
- iv. Assets created through Public Private Participation (PPP) route on Built-Operate-Transfer (BOT) basis are recognized as Council's Assets. Initially these assets are individually assigned a token value of Re. 1/- which is amplified every year on the basis of its

estimated cost or value assumed during the bidding process, in proportion to the period of concessionaires' right to use the asset and derive income there from. Depreciation of such assets is being charged on the estimated life and value of the asset irrespective of its value transferred.

- v. In case of assets capitalized during the year out of Capital Work in Progress, depreciation is provided by applying the rates for full year.
- vi. All the assets purchased during the year are capitalized under the head "Fixed Assets" in the Balance Sheet. However, the assets purchased during the year costing Rs.5,000/- or less are depreciated/ provided for @ 100% at the year end by leaving nominal value of rupee one.

II. Capital Work in Progress (CWIP)

Capital expenditure attributable to a particular asset, and incurred in respect of assets which are pending completion or installation, are included in the particular asset or project group under CWIP. All other expenditure, incurred during the completion or construction stage of the asset or project and which are not reasonably attributable to any particular asset, are classified as unallocated CWIP expenditure, and are allocated to the assets on the completion or construction of the asset or project, as the case may be.

7. Investments

Investments are stated at cost including the cost incurred in acquiring the same. However, any permanent diminution in the value of long term investment(s) is provided for.

8. Inventories

- i. The stock lying at the period-end is valued at cost in accordance with the First in First out method.
- ii. Finished goods related to goods produced for sale or internal use are valued at cost or market value, whichever is lower while Work-In-Progress (unfinished products on which part of process has already been carried out) is valued at cost. Cost of finished and work-in-progress includes all direct costs and applicable production overheads to bring the goods to the present location and condition.
- iii. Consumable items are treated as expenditure incurred in the year of purchase and balance remaining with respective stores (except general branch from where no information regarding balances has been received) as at 31st March (as intimated by them) is adjusted against the said figure of consumption and reflected as stock in hand at the year end.

NEW DELHI MUNICIPAL COUNCIL

SCHEDULE B-22

NOTES TO ACCOUNTS (2007-08)

1) I. *Fixed Assets*

- i. In considering the assets, particularly fixed assets vested with NDMC, the strict test of legal title has not been always insisted upon. This is in view of certain pending matters relating to transfer of titles, which are being followed up with the authorities concerned. However, since control and possession of assets is effectively with NDMC, the same has been considered as part of the assets of NDMC.
- ii. Although all the information received from the various departments/ accounting units has been included in the above compilation, the process of physical verification of all the fixed assets is not yet complete. To the extent of any discrepancy noticed in the course of physical verification, these assets would undergo a change accordingly.
- iii. The details of fixed assets submitted by various accounting units do not tally with the additions shown as per the accounts maintained by the Council under the single entry system. Pending reconciliation, the values of additions to the fixed assets during the year have been captured from the accounts compiled under the single entry system.
- iv. Pending resolution of the Council, the depreciation has been provided in the accounts as per the rates adopted by Bangalore Mahanagar Palike.
- v. NDMC has charged a sum of Rs. 218,94,28,609.59 (net) to the Income & Expenditure account on account of transfers to various segments with a corresponding credit to the various segments earmarked for special purposes for administrative reasons.
- vi. In the absence of full particulars and to bring in uniformity, depreciation on all the assets, except those assets which are taken at the nominal value of Re. 1/-, has been provided for the full year.
- vii. During the year, the dates of completion in respects of capital works completed have been provided by each division which represents assets created/ completed in earlier years. Since, the information in respect of such assets created out of Capital work in Progress has been received during the current year, no depreciation has been charged on these assets in respect of earlier years even for those assets completed/created in earlier years but capitalized in the current year.
- viii. In respect of assets existing prior to 1.4.2004, for which the information has been received in the current year, have been accounted for by making necessary adjustments both in the fixed

assets as well as correspondingly in the capital reserve at the nominal value of Re. 1/-.

II. Identification and Valuation of Opening Fixed Assets

The fixed assets have been identified and compiled based on data/information furnished by the concerned units of NDMC, as per the practice followed in the previous year(s). Broadly, the fixed assets have been classified and verified under 15 heads and have been mapped accordingly under 15 formats. The detailed particulars of which are as under:

Format No.	Type of assets included in the category	Method of valuation of the assets
FA 1	Land	The land under this head includes land appurtenant/ beneath various assets mentioned below such as buildings, parks/ grounds and infrastructure assets. These have been valued at a nominal value of Rupee one for each class of asset.
FA 2	Built-up-Property	All the buildings belonging to NDMC have been identified and measured by a team comprising of representatives of consultants and the department(s). However, in absence of the complete information from various departments/ divisions regarding the cost of acquisition/ construction or permanent improvement thereto, each building has been kept at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of buildings.
FA 3	Vehicles	The vehicles have been identified as per their make & models for each class of vehicle. However, in the absence of complete information regarding the cost of acquisition from the various departments/ divisions, each vehicle has been kept at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of vehicles.
FA 4	Roads	The roads have been identified as per their name, location & measurement. However, in the absence of complete information regarding the cost of acquisition and cost of improvements thereto from Road Divisions (R-I to R-V) each road/ service road has been kept at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of roads.
FA 5	Lamp Posts & Luminary Fittings	The lamp posts and fittings have been identified as per their respective location. However, in the absence of complete

		information regarding the cost involved in installing the same each lamp post as well as each fitting has separately been valued at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of lamp posts and luminary fittings.
FA 6	Dustbins & Dhalaos	The dustbins & dhalaos have been identified as per their respective location. However, in the absence of complete information regarding the cost involved in installing the same each dustbin/ dhalao has been valued at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of dustbins and dhalaos.
FA 7	Drainage	The drains have been identified as per their respective location and numbers. However, in the absence of complete information regarding the cost involved in constructing/ improving the same each drain has been valued at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of drains.
FA 8	Sewerage Lines & WRL	The sewerage lines have been identified as per their respective location. However, in the absence of complete information regarding the cost involved in constructing/ improving the same each sewerage line has been valued at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of sewerage lines & WRLs.
FA 9	Lavatory & Urinals	The lavatories and urinals have been identified as per their respective location. However, in the absence of complete information regarding the cost involved in constructing/ improving the same each lavatory as well as urinal has been valued at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of lavatories and urinals.
FA 10	Furniture & Fixtures	Each item under the head "Furniture & Fixture" has been identified as to its respective location/ placement. However, in the absence of complete information regarding the cost involved in acquiring the same each item of furniture & fixture has been valued at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of items classified under the head "Furniture & Fixture" head.

FA 11	Plant & Machinery	Each item under the head "Plant & Machinery" has been identified as to its respective location/ installation. However, in the absence of complete information regarding the cost involved in acquiring/ constructing/ improving the same each item under the captioned head has been valued at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of items classified under the head "Plant & Machinery" head.
FA 12	Switchgears & Transformers	Each item under the head "Switchgear & Transformers" has been identified as to its respective location/ installation. However, in the absence of complete information regarding the cost involved in acquiring/ constructing/ improving the same each item under the captioned head has been valued at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of items classified under the head "Switchgear & Transformers" head.
FA 13	Electric Cables	The electrical cables have been identified location-wise and measured. However, in the absence of complete information regarding the cost involved in installing/ improving the same has been valued at a nominal value of Rupee one per meter so as to maintain uniformity in valuation and have better control over quantum of electric cable laid.
FA 14	Bridge Culverts etc.	The bridges and culverts have been identified as per its respective location. However, in the absence of complete information regarding the cost involved in constructing/ improving the same each bridge/ culvert has been valued at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of bridges and culverts.
FA 15	Trees & Plants	The trees and plants have been identified as per their respective location. However, in the absence of complete information regarding the cost involved in planting each tree and cost of bringing to its present status, the same has been valued at a nominal value of Rupee one so as to maintain uniformity in valuation and have better control over number of trees/ plants.

The aforesaid assets have been valued at a nominal value of Rupee one and have been shown under the head "Fixed Assets" with a corresponding credit to "Capital Reserve". The assets shall continue to be shown at that value till these are revalued. The same is pending for approval before the Council.

2) *Segmental Funds*

For administrative convenience, New Delhi Municipal Fund has been broken into nine (previous year eight) segments. These segments have been created out of overall New Delhi Municipal Fund. The segments are as follows:

- a) Staff Welfare Fund (comprising social welfare and compassionate fund)
- b) Commercial Building/ Market Development fund
- c) Depreciation Reserve Fund- Water
- d) Transferred Market Fund
- e) GPF Interest Deficient Fund
- f) Pension and Gratuity Corpus
- g) Depreciation Reserve Fund- Electricity
- h) Depreciation Reserve Fund- Building
- i) Regulatory Services

These Segmental Funds are represented by the identified investments/ any other securities as prescribed under the NDMC Act.

3) *Contingent Liabilities*

The complete information regarding Contingent Liabilities as to number of cases pending with various courts and the amount involved therein is not available.

4) *Current Assets*

- i. Cash and Bank balances: The opening balances of bank accounts as per books maintained by NDMC were not in agreement with the balance as shown in the bank statements.

The process of reconciliation of earlier years is presently ongoing and entries arising out of the said reconciliation shall be given effect to in the subsequent years as and when the specific items are identified.

There is a difference in cash balance as per Accounts and cash balance as per cash book amounting to Rs. 1,02,20,749.33. The same is pending for reconciliation. However, the effect of the same has already been considered in New Delhi Municipal Fund Opening Balance.

- ii. The receivables on account of estate, property-taxes, water charges etc. are taken on the basis of information furnished by the respective departments.

In absence of year wise breakup, receivables have been allocated to respective year(s) on an estimated basis and provision for doubtful debts has been made as prescribed in the National Municipal Accounts Manual.

- iii. The stock at the year end has been arrived at on the basis of stock balances extracted from the sock register maintained with the stores divisions. The difference between the closing stock and the summation of opening stock and purchases has been charged to revenue as consumption.

5) *Municipal Fund Account*

The account represents the net surplus of value of opening assets over value of opening liabilities of NDMC and the excess of income over expenditure during the year.

However, certain adjustments shall be made to Municipal Fund during the subsequent year(s) which are as follows:

- i. Since the mapping of fixed assets is in the process of completion and the valuation norms are pending for finalisation, the accounts do not reflect full value of fixed assets. Consequently, the Municipal Fund is understated to the extent of value of fixed assets (net).
- ii. Pending acceptance of Actuarial Valuation Report by the Council, contribution towards pension and gratuity are accounted for on the basis adopted under the single entry system of accounting.
- iii. As past data regarding creation of earmarked segmental funds and their respective utilisations are not presently available, the funds are not represented by corresponding matching contributions. Pending valuation of assets the segmental funds are being maintained on ad-hoc basis.

6) *General*

- a) A sum of Rs. 132,29,55,094/- was erroneously charged to E.2.1 corresponding to 220-52-02 as computerization expenses of electricity billing in single entry accounts. In these accounts the same is being rectified by transferring the same to E.2 corresponding to 230-20 being payment to M/s DTL etc. on account of electricity purchase bills.
- b) The balances outstanding under the various account heads e.g. deposits, creditors, receivables and liabilities are subject to reconciliation/ confirmation.
- c) The accounts as prepared/ compiled are subject to audit.
- d) In the absence of complete information/ details in respect of claims lodged by the third parties on NDMC, complete contingent liabilities have not been disclosed.
- e) The financial statements have been compiled as per the formats prescribed by NDMC Accounts Manual based on National Municipal Accounts Manual with suitable modifications.

- f) The opening balance in respect of total deposits as provided by the various departments is the total sum of Earnest Money, Security Deposit and Misc. Deposits.
- g) The balances have been rearranged/ regrouped to match with the double entry accrual system.
- h) Previous year figures have been rearranged/ regrouped wherever considered necessary.
