Rs. 16.50 per month per meter, (three phases)

Notice for The consumer shall be deemed to be taking a supply and shall be Disconnection responsible for meter rent etc. Until he has handed over to the Council one month's notice in writing to discontinue the supply and such notice shall have expired a facilities have been given by the Consumer to disconnect the supply.

- 2. Payment of: Payment to be made monthly within 15 days of presentation of accounts. Accounts
- 3. Disconnection: The Municipal Council is entitled under the India Electricity Act., to disconnect any connection for non-payment of account. On expiration of notice given for disconnection for the non-payment, orders are issued to the Electrical Engineer, New Delhi Municipal Council for disconnection. Some time consumer call to make payment after such orders have been issued but before intimation has been received in the Electrical Engineer's Officer as to whether it has been executed or not. In all such cases a consumer must deposit Rs. 50/- per meter and if it is subsequently founds that disconnection has not been made this amount will be adjusted by credit to the consumer in the next bill. The Council is also entitled to disconnect in the extent, of a consumer's installation being in unsatisfactory condition or if any alterations or addition are made to the installation without obtaining sanction of the council.
  - Interference with every consumer is responsible for seeing that no person who is not duly authorized by and Meter the council for purpose shall in any way interfere with Meter Seals and Fues. The Terminals Maximum penalty for improper interference is fined of Rs. 1000/-
- 4. Electrical: All wiring for light and fans etc. Including extension to installations must be tested by the Installation Council representative before being connected to the supply. The test made by the council will show up and serious defect which exists on the wiring at the time of test but it is not guaranteed that such faults may not occur at the latter date due to bad workmanship materials. No supply will be given unless the wiring work is interested to firms on the approved list of the Electrical Inspector to the Government. One test will be made free of charge by the council but if the installation is not passed and a fee of Rs./- must be paid for each subsequent test.
- 5. Service connection: The deposit must be whenever any connection is opened either for new or an old consumer. If Deposit connection is an old one which was put up for a previous tenant the amount deposited by him is refundable subject to all dues to council being properly settled.

NOTE: - The maximum No. of points allowed on a single service connection must not exceed 40 or a load of 10 amps. The maximum number of point per circuit must not exceed 10.
