Brief History

The school building was constructed in the year 1981. It was inaugurated in the same year. At the time of strength of the students was 67 (Sixty seven) and it was a primary school. It was upgraded to middle school and then secondary in 2014. There were Thuggi cluster surrounding the school premises like Anant Ram Dairy as Thuggis were demolished and most of the slum dwellers were rehabilitated too far off areas. This led to sharp decline in the strength of the school. At present the strength is 289 and 14 sections. Time to time several co-curricular activities are conducted and students are encouraged to take active participations. Festivals of all the religions are celebrated together with equal joy & respect. Computer skills are inculcated. Work education, Yoga training, sports, music skills are also taught here. Moral values, disciplines etc. qualities are instilled on regular basis of all round personality develop.
