

NEW DELHI MUNICIPAL COUNCIL

- *Additional Director Mission takes stock of progress of Swachh Bharat Mission in New Delhi area*

New Delhi – August 24, 2016

Additional Mission Director, Government of India, Shri Saurabh Jain went around the different areas of New Delhi alongwith the functionaries of Public Health Department of NDMC to take stock of the work being carried out under Swachh Bharat Mission [today](#).

The Additional Mission Director visited PTUs, Solid Waste Management, Waste to Energy Plant, Compost Plants, Bio-methanization Plant, Varmi composting and Gasification plant.

The Additional Mission Director has been apprised by the officers of the Public Health Department about the innovative steps being undertaken by the Council in connection with the transforming the traditional methods in the sanitation field into scientific disposal and transportation of garbage and 100 percent mechanization of collection of garbage. He was informed that 100 percent door-to-door collection of garbage in residential and commercial areas is being carried out in a mechanized way through auto-trippers and tri-cycle rickshaws. There is no manual scavenging and NDMC area in ODF.

The officials of Public Health Department informed the Addl. Mission Director that in order to facilitate the safai seveks, 50 Roll Call

Shelters have been planned out of which 22 are operational and rest would be operational by October, 2016.

While inspecting the sites of the projects, the Additional Mission Director appreciated and lauded the NDMC for the work being carried out under the Swachh Bharat Mission and said that other Civic Bodies of the Country should follow the footprints of NDMC regarding implementation of the projects related to Swachh Bharat Mission. He observed that “NDMC APP-311” is an innovative step taken by the Council for transforming New Delhi areas towards a global bench mark.

Earlier a presentation was given before the Additional Mission Director, Government of India on the initiatives being taken under the Swachh Bharat Mission in the New Delhi area at NDMC Headquarter, Palika Kendra, New Delhi.
