#### **➤ NDMC plants 27000 saplings at 14 Circle of New Delhi area**

- About 5000 NDMC work force participated in the plantation drive
- As many as 61,000 saplings had been planted under the drive

*New Delhi – July 16, 2016*

In a significant move, the NDMC has launched a massive plantation drive in its all 14 circles in New Delhi area and planted over 27,000 saplings of different varieties of trees despite of heavy rain **today**. About 5000 employees of NDMC comprising with 100 Beldar, 100 Safaikarmchari and 150 Mali in each circle under the supervision of one HOD of NDMC had participated in Tree Plantation programme. As many as 61,000 saplings had been planted under the drive within a period of 10 days.

During the current monsoon season the target for planting of 2 Lac trees has been fixed by NDMC and out of these 25,000 will be large and medium trees while 1,75,000 trees will be of ornamental and herbal. The herbal trees will include –

Ashwagandha, Brahmi, Haldi, Arjun, Awala, Alovera etc. will be planted at Shubash Park at Netaji Nagar, Lodhi Garden, Nehru Park at Chanakyapuri and Sanjay Jheel at Laxmibai Nagar.

The variety of large and medium trees will include as Neem, Peepal, Jamun, Gulmohar etc. and will be planted across the road sides as avenue trees and major parks and garden in New Delhi area

The Council has invited the residents of New Delhi area to register online on NDMC website and mobile app “NDMC311” for getting sapling of trees of their choice free of cost for planting the same in their premises, streets, yards and offices. The scheme is for plantation location in NDMC area only. The officials of horticulture of NDMC will extend the necessary information and know-how about the selection of the saplings as well as planting the same in the concerned areas.
