New Delhi – July 24, 2016

With the dedicated involvement and active participation of SpiritualSects, Resident Welfare Associations, Market and Traders Associations, Non-Government Organizations, School Children of New Delhi Municipal Council, Delhi Government, Aided and Private, team NDMC and Public at large, the NDMC has achieved the half goal by planting 1.15 Lac saplings against the target of 2 Lac trees fixed for the current rainy season. And it has been achieved within a period of 15 Days.

As many as 1000 saplings of various varieties of trees have been planted by devotees of Prajapita Brahm Kumaris and NDMC officials jointly at Talkatora Stadium premises, Talkatora Garden, link road towards Shanker Road, Park Street and Mandir Marg early [this morning](#).

To mark the birth anniversary of Shaheed Chander Shekhar Azaad the NDMC Chairperson planted 'Rudraksha' tree in the memory of the great martyr at Shaheed Bhagat Singh palace in New Delhi [yesterday](#).

Similarly, the RWAs and MTAs of various areas of New Delhi like Gole Market, Lodhi Colony, Sarojini Nagar, Laxmibai Nagar, Moti Bagh had also planted over 5000 saplings of trees in their residential complexes, markets surroundings and other adjoining areas like lanes or by-lanes in New Delhi colonies.

Hundreds of NDMC school children took part in the Tree Plantation Drive and planted over 2000 saplings in the premises and surroundings of their schools.

Coming **Saturday**, NDMC will visit the residence of Members of Parliament to plant fruits trees at their premises, if space is available.

In the forthcoming week, the Tree Plantation Drive will be under taken at Chanakyapuri area wherein the Diplomats of different Embassies and HighCommissions in India have been invited to extend their active co-operation and participation for planting the saplings of trees in front of and surrounding of their Embassies concerned.

The NDMC has received over thousand of online requests for procurement of saplings of trees for their individual premises and in response to that the Horticulture Department of NDMC had provided over 5 thousand saplings of trees from its 11 distribution centers for the purpose.
