No. D/3924/MS/NSES

Dt. 27/11/18

CIRCULAR

Sub:- Formulation/Amendment of RRs for various posts of Teaching Staff in Navyug School Education Society – Inviting objections reg.

1. The Board of Governors of NSES in the meeting held on 11th August, 2015, while examining the recruitment Rules of all the subjects of PGTs, TGTs & Primary Teacher (Academic/Activity) had taken decision as under:
 - (a) It was decided to modify the clause related to the probation period from one year to two years followed by performance assessment of teachers on quarterly basis during the probation period.
 - (b) Promotion from Primary to TGT and TGT to PGT should be given only after rigorous performance test. This assessment would include knowledge in the domain subject, class room behavior, the level of learning in respective students besides fulfilling the eligibility qualification. This parameter would be in addition to the Vigilance clearance report as well as APAR grading. Hence, by all means, promotion will not be based on merely seniority as is the case now.
 - (c) A clause will be inserted in the recruitment rules mentioning that minimum of three years teaching in the domain subject (Subject in which promotion is being considered) will be necessarily required criteria. Hence, a person teaching History, for example, at the TGT level will not be eligible to be promoted as PGT (Maths) by virtue of fulfilling the degrees requirement mentioned in the recruitment rules, as is the case now.

2. Further during the course of discussion with regard to amendment of the Rules in term of the above decision of BOG, it was felt that the existing RRs for the post of PGT providing for 100% promotion from the TGT should be modified to make a provision for induction of young talented blood through Direct Recruitment. It is accordingly proposed that the mode of recruitment for the post of PGT should provide for filling up 25% of vacancies through Direct Recruitment and the remaining 75% vacancies by promotion failing which by Direct Recruitment. The similar mode of provision already exists for promotion to the post of TGTs from that of Primary Teachers.
3. Similarly it was also felt that the provision should be made to induct young blood through Direct Recruitment in the case of Vice Principal by providing 25% of vacancies filled up by Direct Recruitment and the remaining 75% vacancies of Vice Principal by promotion failing which by Direct Recruitments.
4. The possibility of making a provision on deputation basis was also considered but it was felt that attracting good teachers for short term deputation may not be viable and feasible.
5. The Recruitment Rules for the post of PGT (Music, Physical Education and Art) have not been framed at the time of revision of RRs for the various posts of PGTs during the year 1998-99. At present there are vacancies for these posts which are required to be filled up on the priority basis as per directions of the National Commission of Scheduled Castes. The RRs for these posts have also been formulated.
6. In view of the position explained above, the following amendments have been carried out in the RRs of the teaching staff including Vice Principal in addition to framing of RRs for the posts of PGT (Music, Physical Education and Art) by incorporating the changes as mentioned below:

- (a) As per DoPT Guide lines, classification of post has been changed from Group C to Group A & B and Group B to Group A where required.
- (b) Old pay scales of 5th CPC have been substituted with that of VIIth CPC.
- (c) In case of PGTs, 25% of vacancies shall be filled by Direct Recruitment and 75% by promotion from amongst the TGTs failing which by Direct Recruitment.
- (d) In case of Vice Principal, 25% of vacancies shall be filled up by Direct Recruitment and 75% by promotion from amongst PGTs failing which by Direct Recruitment.
- (e) In case of TGTs, 25% of vacancies shall be filled up through Direct Recruitment and 75% by promotion from amongst Primary Teachers failing which by Direct Recruitment.
- (f) The existing probation period has been enhanced from 01 year to 02 years where needed as per decision of BOG.
- (g) Provision for promotion from Primary Teacher to TGT and TGT to PGT through rigorous performance test has been incorporated in RRs as per decision of BOG taken in the meeting held on 11.10.2015.
- (h) (i) A Clause has been inserted in the Recruitment Rules providing minimum of 03 years teaching in the domain subject (subject in which promotion is being considered) which will be necessarily required criteria.
- (h) (ii) Further 18 sanctioned posts of TGT (Mathematics) have been equally bifurcated into 09 posts of TGT (Mathematics)-10 and 09 posts of TGT (Science).

However the above condition will not be practicable in case of promotion from Primary teachers to TGT (W.E. Technical, Computer Science & Sanskrit), as these subjects are not taught from class I to V. As such in these cases, provision for 100% Direct Recruitment has been made.

7. Regarding implementation of decision of BOG taken in the meeting held on 14th August, 2015 for adopting the Methodology for conducting the periodical

performance test mentioned in the RRs under revision, comprehensive mechanism will be evolved at the time of Departmental promotion for the post of PGT & TGT.

8. After formulating the RRs of various posts of Teaching Staff and preparing the fresh RRs for PGT (Music, Art & Physical Education), the case was referred to the Advisor Recruitment Rules NDMC for expert advice. The case was examined by him and the advice given by him has been attended to by showing the changes in the proposed amended RRs.
9. The matter has also been examined by Finance Department NDMC and has concurred in the proposal to amend/formulation of RRs of various categories of teaching staff subject to the condition that opinion of the law department may also be obtained before placing the case to the BOG for consideration.
10. The case was accordingly referred to the Law Department NDMC for examining the proposal of NSES to amend the RRs for the various categories of teaching staff. The Chief Legal Advisor has opined that the proposed amendment in RRs is purely administrative in nature and no legal issue.
11. The Recruitment Rules for the post of Principal/Vice Principal/PGTs/TGTs/PRTs and H.M (Primary) have been revised after suitable modifications and enclosed.
